

## Detective Notes

- 1) Act out the detective clues along with Carmen.
- 2) Circle three clues that help you find the story's theme.
- 3) Write the theme in the top secret box below.

### “The Lost and Found Dream”

**Clue #1)** Once upon a time there was a young girl named Juanita who dreamed of becoming a detective.

**Clue #2)** She would carry around a big magnifying glass looking for clues under the sofa, behind the dresser and even in the kitchen cabinets.

**Clue #3)** Juanita would also read detective books every chance she got.

**Clue #4)** To practice becoming a detective, she would help her neighbors find their missing pets. She helped find six lost pets one summer by looking for clues!

**Clue #5)** As Juanita grew up, she forgot all about his childhood dream of becoming a detective. Until one day many years later, she saw a sign for a missing dog and she remembered her childhood dream.

**Clue #6)** When Juanita got home, she found one of his old childhood detective books and his old trusty magnifying glass. Her face lit up with an excitement she hadn't felt since she was a kid.

**Clue #7)** The very next day, Juanita signed up for Detective Training School. The rest, shall we say, is history.

#### TOP SECRET:

What is the **THEME** for “The Lost and Found Dream”?
